This statewide survey awards program was designed to identify the best places of employment in Maine that benefit the state's economy, its workforce and businesses. The 2015 Best Places to Work in Maine list is made up of 75 companies in three categories: small (15-49 U.S. employees), medium (50-249 U.S. employees) and large (250+ employees). Community Health Options was named among the **Best Places to Work in Maine** in the medium company category.
