MAGNOLIA PEPITO-BOBINEAU JOINS COMMUNITY HEALTH OPTIONS

Lewiston, ME – Kevin Lewis, CEO of Community Health Options, recently announced that Magnolia “Maggie” Pepito-Bobineau has joined the organization as Director, Claim Operations and Payment Integrity. Working closely with Chief Operating Officer Robert Hillman, she will oversee claims auditing processes to ensure quality and accuracy standards and identify opportunities for process improvement. She will also be responsible for the administration of the Fraud, Waste and Abuse program.

“Maggie joins Health Options coming from the Health Alliance Plan, Michigan’s second largest commercial insurer, and brings almost 30 years of experience in claim operations, auditing, and plan configuration for commercial and Medicare business,” said Hillman. “Her deep understanding of the insurance industry will have an immediate impact on Community Health Options’ operations.”

Her experience includes being an active member of, and speaker for Health Education Associates (HEA) and Resource Initiative and Society for Education (RISE) on the topic of Medicare Advantage Accounting and Reconciliation.

Maggie attended Andover College where she earned an A.A.S degree and worked in Maine before moving to Michigan and earning BA and MA degrees from Madonna University. She is happy to return to Maine to be closer to family after having started her career here over two decades ago.

***About Community Health Options** – Community Health Options (Health Options) is a non-profit, Member-led health plan providing comprehensive, Member-focused health insurance benefits for individuals, families, and businesses. Health Options is a Consumer Operated and Oriented Plan (CO-OP) licensed in Maine and New Hampshire that is dedicated to providing affordable, high-quality health benefits through productive partnerships with Members, businesses, and a broad network of providers.
