*Patient Name:	* <input type="checkbox"/> Male * <input type="checkbox"/> Female	*DOB:
*Health Insurance ID#:	Other Health Insurance (please specify):	
Address:	Phone:	
Patient Weight:	Patient Height:	

Routine ▶ Routine Pre-Service requests are generally processed within two business days of receipt of all necessary information.

Urgent ▶ Urgent Pre-Service requests are processed within two calendar days. Urgent requests are based on clinical presentations that could seriously jeopardize the Member's life or health, ability to regain maximum function, or subjects the Member to severe pain that cannot be adequately managed without the requested care or treatment. To initiate urgent referrals by phone 24/7 call (855) 542-0880.

Emergency services (911 ambulance transport and ED evaluation/treatment) do not require Prior Approval.
