Itemized Bill Submission
Reimbursement Policy

Policy

Community Health Options (“Health Options”) requires an itemized bill for each claim with a billed amount equal to and greater than $20,000; an itemized bill may also be requested on claims identified for further review. “An itemized statement is defined as a listing of each service(s) or item(s) provided to the beneficiary. Statements that reflect a grouping of services or items (such as a revenue code) are not considered an itemized statement” (CMS).

The itemized bill must include all the following for each line-item detail (but not limited to):

- charge code
- description
- date of service
- quantity
- charge amount
- CPT/HCPCS code
- modifier (if applicable)

Itemized bills are required to match the associated billed claim form for a thorough claims review process and reimbursement determination.

For your convenience, Health Options accepts itemized bills electronically using the following email address: itemizedbill@healthoptions.org

Itemized bills must be submitted within thirty (30) days from the date of the request. Claims submitted without the associated itemized bill, within the specified timeframe, will be denied for reimbursement.
