| Important Questions | Answers | Why This Matters: |
|--------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What is the overall deductible? | Preferred In-Network- \$3,500/individual or \$7,000/family <u>Standard In-Network-</u> <u>\$4,200</u> /individual or \$8,400/family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible?</u> | Yes. Preventive Care (as defined in your Member Benefit Agreement) and most services that require a <u>copayment</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care- benefits/</u> . Refer to your Member Benefit Agreement for more information. |

If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u> ? | Premiums, <u>balance billing</u> charges (charges above the <u>allowed amount</u>), and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See <u>www.healthoptions.org</u> or call 1-855-624-6463 for a list of <u>network</u> <u>providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | Yes. | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> . |

All <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
